

Deferred Payment Agreement

If you are a residential customer and, for some reason, you are unable to pay the full amount of the utility service arrears on your bill, you may contact the utility to discuss arrangements to pay the arrears.

This deferred payment agreement will require:

1. Down payment of at least 40% of entire balance due.
2. Payment of the remainder of the outstanding balance before the issuance of the next utility billing.
3. Payment of all future utility service bills in full by the due date.

Payment Schedule

Date Due	Payment	Date Due	Payment

I agree to pay the amounts as described in the above payment schedule until I have paid my utility bill in full. The bill must be paid in full before the next utility bill is issued which is _____.

This agreement is in compliance with City Ordinance # 653 and the rules and regulations of the Public Service Commission of Wisconsin.

NOTE: Failure to make the deferred payments you agree to will be subject to disconnection unless you pay the entire amount due.
